Please find below and/or attached an Office communication concerning this application or proceeding.

***Response to Amendment***

The reply filed on 8-14-2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The 112 second paragraph rejection made in the office action mailed 4-14-2006 was not addressed. Claim 25 states that the preprocessing is performed in the first processor. Claim 28 states that at least a portion of the preprocessing is performed by the second processor. If the preprocessing is performed by the first processor, it is not understood how at least a portion is performed by the second processor. The examiner suggested language to remedy the confusion, however applicant failed to address the issue. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.

EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark W. Bockelman whose telephone number is (571) 272-4941. The examiner can normally be reached on Monday - Friday 10:00 to 6:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robert Pezzuto can be reached on (571) 272 -6996. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
